COMMUNIQUE

Monthly E-Newsletter of District 318 E

Issue 2 - August 2023

Serve Humanity... Build Community...

Editor's Column

Dear brothers and sisters in lionism,

Greetings and good wishes on the festive occasion of Onam!

It is with great enthusiasm that I present to you this second issue of our District E-Newsletter. Hope all of you would have enjoyed reading the 1st issue of "Communique". Today's world is powered by many ways of network and the wave of electronic Newsletter must experience a phenomenal growth. This way, lion members can connect with other members of our organization world over.

Lionism is an opportunity to serve the needy and downtrodden in and around our community. There is a common saying that a little seed can make a forest, a small drop of water can create an ocean and a little help done with a whole heart can revive a life. When we pool our resources through our collective efforts under the lions movement, definitely we can light up the lives of many of the underprivileged in our community and thus contribute our share in changing the world into a better place to live in.

With warm lionistic regards,

Lion Meenakshi Varadarajan

*Additional Cabinet Secretary,

MESSAGE

Dear Lion Meenakshi Varadarajan,

I am pleased to learn that your district is going to bring out its E-Newsletter "Communique" to update the members about the activities of the district and enlighten them about the programmes of LCI.

The members of your district have always stretched that extra bit to serve those in need among the communities in and around your area. The dedication, motivation and service- mindedness displayed by your members through their various meaningful service activities have gone a long way in carving out, for Lions, a special place in the hearts of those they have served.

As lions, it is our unwritten commitment to make this world better than what it has been before. This is an important exercise to pursue our purpose in life. Each one of us is so busy that devoting time to welfare programs that make an impact may sometimes be challenging. The most impressive feature with your members is that they are always on the lookout for opportunities to reach out wherever the need is, and ensure that LCI continues to be the top service club organization in the world. Let us believe in ourselves and in our association because together, we can make the difference in changing the world.

Thanks, and with regards.

Lion CA A.P. Singh PMJF

Second Vice President, LCI

District Governor *Speaks*

Dear fellow lions,

I am indeed very happy to communicate with you all once again through this second issue of our monthly E-Newsletter "COMMUNIQUE". The District Cabinet Installation "ADWAYAM" that was held at C.R.Auditorium, Eachur on 6th August was a resounding success. Almost all clubs stepped into action and all the clubs in the District had registered for the function. There was a unique and mesmerizing performance by the lady lions also. The address by our Chief Guest Lion R. Mathanagopal PMJF, International Director was very motivating for every lion and the elegance with which he installed the Cabinet Members was indeed commendable. Lion Adv. Vamanakumar PMJF, GAT Area Leader MD 317 & 318 who was the Guest of Honour, also made an inspiring speech as usual and inaugurated the 5 new clubs of our District. The gracious presence of the celebrity cine actor Mr. K.T. Vineeth, who is the son of our PDG Late K.T. Radhakrishnan MJF, added glitter to our function and we also honoured him. Congratulations to Lion Pradeep Prathibha, District Secretary for District Meetings and other vibrant organizing committee members who worked hard for the smooth and successful conduct of the programme. The first issue of our Monthly E-Newsletter "Communique" was released by our Chief Guest on this occasion and I congratulate Lion Meenakshi Varadarajan for bringing out the same on time.

There was good attendance for the 1st Cabinet Meeting held at Tellicherry on 13th August and I am happy to say that we could make all deliberations and conclude the meeting on time. The Presidents' Residential Academy-"PRABHODANAM" was held at Coorg on 19th & 20th August in an excellent manner with 146 participants and let me congratulate and thank GLT Co-ordinator Lion Prasanth Nayanar for the success of the programme. District Awards 2022-23 Ceremony "SUPHALAM" conducted at Tellicherry on the eve of Onam was another colourful and entertaining programme, Kudos to our IPDG & Multiple Council Secretary Lion Dr. Sudhir PMJF and PDG Lion Dr. Suchitra Sudhir PMJF. I congratulate all the award winners of the last lionistic year.

As part of Onam Celebrations, I could take part in the distribution of onam kits to inmates of Kerala Federation of Blind Charitable Trust. I could also inaugurate the Onam Celebration at Pakalveedu a project of LC Calicut Silver Hills. I also had the opportunity to inaugurate The Disaster Relief Volunteers Free Training Camp held at Taliparamba on 3rd August which was a very useful programme.

I have started DG visit and the first visit was to LC Kanhangad Town on 28th July and I had the privilege of inaugurating their own building on that day. I request all clubs to communicate the proposed date of DG visit at the earliest.

September is the month of compliance with fiscal obligations – Remittance of International, District & Multiple dues. I request the PSTs of clubs to make payment of first half international dues in time and also remit District and Multiple District dues to enable the District to carry out its activities smoothly.
